

SAUVIGNON

VENETO

Indicazione Geografica Tipica

Type: still white wine

Grapes: 100% Sauvignon

Characteristics and location of the vineyards: vineyards planted on clay and limestone soils

Vineyard system: sylvoz

Harvest: manual in the 1st ten days of September

Vinification: in white, crushing with brief 24-hour maceration, followed by soft pressing and cold fermentation in order to enhance and preserve the most elegant aromas of the vine variety.

Colour: greenish yellow and imbued with significant light reflections

Bouquet: herbaceous sage, tomato leaf and green pepper

Taste: dry, balanced and lively, with an aftertaste of mineral balsamic notes

Serving temperature: 10-12 °C

Alcohol content: 12,5%

Recommended pairings: excellent with dishes based on asparagus, soups, gratin snails and strong-flavored dishes

Wine storage: in a cool place at 12-14 °C and protected from light
